Exhibits

Documents shall be assembled in a binder with each exhibit bearing a number and tab, and with each exhibit separately paginated. The exhibits shall be serially numbered for identification beginning with the number 1, preceded by a sponsoring party's prefix (e.g. Peninsula Exh. 1; EB Exh. 1).

¹ Interrogatories directed to Commission staff are limited under 47 C.F.R. §1.311(b)(3)(4).

² Only motions that are authorized by Commission's rules of practice will be entertained. See e.g. 47 C.F.R. §1.229. See also Atlantic Broadcasting Co., 5 FCC 2d 717, 720 (1966); and Frank H. Yemm, 39 RR 2d 1657 (1977) (hearing designation orders may not be substantially changed or modified). Cf. 47 C.F.R. §0.283(b)(2) "requests for reconsideration of orders designating cases for hearing" can only be referred to the Commission. Commission referral would be unlikely here due to the careful consideration by the Commission of the issues in the Show Cause Order, and also due to the passage of time.

Stipulations shall be executed by counsel and should be contained in a separate tabbed, paginated binder, and submitted as joint exhibits.

Documents for which Official Notice is requested shall be separately bound, tabbed, paginated and numbered for identification.
